

# routine cleaning

## MATERIAL USE GUIDELINES

Follow these guidelines to maintain the original appearance of Boltaron sheet.

### Routine Cleaning

For routine cleaning, wash with warm water. Use liquid soap or isopropyl alcohol, if necessary. A soft, bristled brush may be used to remove dirt and debris from tougher textures. Rinse the sheet with warm water after washing. Make sure to dry the surface to prevent water spots.

**Boltaron highly recommends that the cleaning process is always concluded by wiping the material with warm water. If the material is exposed to high temperatures, and the cleaning product has not been fully removed, staining can occur.**

### Recommended Routine Cleaners

- Palmolive Original Dish Liquid
- Ultra Ivory Liquid Concentrated Dishwashing Liquid
- Dawn Ultra Dish Washing Liquid
- Clorox Disinfecting Wipes
- Pledge Multi Surface Everyday Cleaner
- Seventh Generation Disinfecting Multi-Surface Cleaner
- Clorox Anywhere Hard Surface Daily Sanitizing Spray

### Stain and Debris Removal

Stains may require a stronger cleaner. A soft bristled brush may be needed to remove stains from rougher textures. Rinse the sheet with water after washing. Be sure to dry the surface to prevent water spots.

- Cleaners for stain removal
- Goof Off Heavy Duty Remover
- SoSafe Yellow Graffiti Remover
- Isopropyl Alcohol
- Palmolive Original Dish Liquid

*Before any cleaner is used, a small area should be tested to make sure the cleaner fits the user's applicable purpose.*

Darker stains cannot be removed, but may be faded with the same technique as listed above. After cleaning, be sure to rinse the area with water to remove any residue from the liquid soap and dry with a soft cloth.

### 4330, 4335, 4800, & 6800 test results.

Stain Type	Palmolive Original Dish Liquid	Goof Off Heavy Duty Remover	SoSafe Yellow Graffiti Remover
Coffee	No	Yes	Yes
Ink - Ballpoint Pen	No	Yes	Yes
Crayon	No	Yes	Yes
Permanent Marker	No	Yes	Yes
Pencil	No	Yes	Yes*

*\*Only faded. (Mr. Clean Magic Eraser removed pencil, but care should be taken not to remove plastic.)*
